Establishment of new financial affairs accounting section and appointment of new section manager

Celartem Technology, Inc. (head office: Tokyo Minato-ku, President: Yasuo Kano) on 12/10/2003 founded a new financial affairs accounting section. Also announced, Hironori Zoda CPA was appointed as the manager of this section.

Reason for Restructuring

In order to assure further strengthening of Celartem Technology, Inc., a new financial affairs accounting section has been created. The manager of this section will act as a liaison of financial affairs to upper management and the Board of Directors and use his knowledge and expertise in this area to meet global goals towards the establishment of a standard accounting system.

Brief history of Hironori Zoda

After completion of studies in 1996, Hironori Zoda, has worked for approximately six years with several major incorporated accounting firms. He holds a CPA degree with a focus on auditing and open stock business companies. He has participated in the starting of a venture capital business and has worked with Celartem Technology, Inc.
